

Use of this Form

This form is to be used by people wishing to apply for registration as an architect in Western Australia, who are already registered in another Australian State or Territory, or in New Zealand.

If you have never been registered in Australia or New Zealand, and have passed the Architectural Practice Examination, please use **Form 01 – Application for Registration as an Architect** which is available from the Board's website.

Mutual Recognition

Under the *Commonwealth Mutual Recognition Act 1992*, a person who is registered to practise an occupation in one State or Territory is entitled to practise an equivalent occupation in another State or Territory, after notifying the local registration authority. The State of Western Australia has adopted this Act and, consequently, a person is entitled to be registered as an architect in Western Australia if he or she is a registered architect in another State or Territory.

The State of Western Australia has also adopted the *Commonwealth Trans-Tasman Mutual Recognition Act 1997* which allows a person who is registered to practise an occupation in Australia to practise an equivalent occupation in New Zealand after notifying the local registration authority and vice versa. Consequently, a person registered as an architect in New Zealand is entitled to be registered in WA.

Note that a person registering as an architect in Western Australia under mutual recognition has to comply with Western Australian disciplinary provisions and renewal of registration requirements such as holding professional indemnity insurance and maintaining a satisfactory level of knowledge, skill and competence in the practice of architecture.

Professional Indemnity Insurance

Professional indemnity insurance (PII) is required for practising architects either as an individual, or through your employer's policy. If you are obtaining your own PII, you must provide the Board with a copy of the certificate of currency for your policy. If you will be insured through your employer's PII policy, you must provide the Board with both a letter from your employer naming you as an insured employee and a

copy of the certificate of currency for your employer's policy.

Note that the certificate of currency must show the period of cover and amount insured, with the minimum amount required being \$1,000,000.

Continuing Professional Development

The Board has to be satisfied that a person has maintained a satisfactory level of knowledge, skill and competence in order to renew their registration. For more information, please refer to **Information Sheet 02 – Continuing Professional Development Framework** (available from the Board's website).

Certificate of Registration

The Board recommends architects clearly display registration certificates and their registration number on all correspondence and advertising.

Change of Recorded Details

Following registration, if there is any change to your recorded details, such as a change in name, contact details or insurance cover, you must inform the Board. Please use **Form 08 – Notification of Change of Recorded Details** which is available from the Board's website.

You are also required to contact the Board if your circumstances change and you are no longer practising architecture, or if your qualifications have been withdrawn, or cancelled.

Annual Renewal of Registration

The registration period runs from 1 July to 30 June each year.
